

Employee Handbook - Core Operating Rules

Document ID: EMP-006 | Owner: Operations & Customer Experience | Version: 1.0

Purpose: This controlled document defines business rules used by BizInsight AI when answering customer, sales, and operational questions.

Working Practices

Topic	Standard
Working Hours	9:00 AM - 6:00 PM
Remote Work	Up to 2 days per week with manager approval
Communication	Use approved company collaboration channels for work matters
Customer Data	Access only when required for the assigned task

Leave and Conduct

- Follow the company leave-request process and manager approval workflow.
- Use respectful, professional communication with customers and colleagues.
- Protect company credentials and do not share access tokens or passwords.
- Report suspected data exposure or security incidents through the approved escalation path.

AI Assistant Usage

- Use customer and employee information only for an authorized business purpose.
- Treat AI-generated output as a draft when a human approval step is required.
- Do not invent policy exceptions or confidential information.
- Escalate requests involving legal, security, or sensitive employee matters when the relevant specialist process applies.

Internal business reference. Rules may be updated by the document owner; the latest approved version takes precedence.
