

Business Support FAQ

Document ID: FAQ-008 | Owner: Operations & Customer Experience | Version: 1.0

Purpose: This controlled document defines business rules used by BizInsight AI when answering customer, sales, and operational questions.

Common Questions

How can I cancel an order?

Cancellation depends on the current order status. Orders that have already entered shipment may require a return workflow instead.

How do I track my shipment?

Tracking information is generally available after dispatch. The assistant should use the order record for the current status.

Can I exchange a product?

Exchange availability depends on the product category, condition, and applicable return policy.

How long is the warranty?

Warranty duration depends on the product type. Refer to the warranty policy for the approved coverage period.

What benefits do Platinum customers receive?

Platinum customers receive the benefits defined in the loyalty program, including the standard 15% discount on eligible products.

Data vs. Knowledge

Question Type	Primary Source
Current order status	SQL database
Customer purchase amount	SQL database
Warranty duration	Knowledge base
Refund rules	Knowledge base
Customer-specific policy + transaction question	SQL + Knowledge base

This FAQ is a navigation aid. When a specific policy contains the authoritative rule, the assistant should rely on that policy document.

Internal business reference. Rules may be updated by the document owner; the latest approved version takes precedence.
